# RAKSHA BANDHAN CELEBRATION

AUGUST  
2022-23

## RAKSHABANDHAN

Raksha Bandhan or Rakhi is a special occasion to celebrate the virtuous bond of love between a brother and a sister which is one of the deepest and noblest of all human emotions.

10th August 2022, Raksha Bandhan the auspicious day was celebrated at TLC Gurukul School. The concept of Raksha Bandhan has a much wider concept beyond the raksha of sister by her brother, the mutual commitment of safeguard, protections, and bonding of us all each other in our family, organisation, our school's all stake holders and the society.

Lovely Rakhis were prepared by the students for their brothers and sisters to tie into their hands of their siblings. In this Raksha bandhan, we also tried to spread the message that we have a responsibility to protect Environment from getting hurt. Every individual should tie rakhi to all nearby plants and animal. This way we can spread love towards Environment.

## SPEECH ON FREEDOM FIGHTER

The Speech on Freedom Fighters competition was held on 12th August, 2022 for the grades 6 to 9. With the Independence Day fervor, the children were full of enthusiasm to bring out the best in them. The students exhibited the best of the oratory skills and used speeches by Jawaharlal Nehru, Subhash Chandra Bose and Annie Besant. It was wonderful to see the efforts taken by the children to give their best. The competition was judged by Ms. Nishi Thacker and Ms. Bindiya Parmar.

The Results of the competition were as follows:

### RESULT

<u>RANK</u>	<u>Name</u>	<u>Grade</u>
1	Vaidehi	8
2	Himadhi	8
3	Mantra	4

# PATRIOTIC SONG COMPETITION

Every Indian has his / her own unique way of expressing love towards the Nation. School is one of the most influential, reliable and responsible medium to instill the right values at the prime growing age of any individual. Our school had set the fervor of patriotism through Patriotic Song competition across Grade I to V. The students prepared patriotic songs. The students sang the songs with a lot of passion, confidence and patriotic feeling. Each child showed the mastery over the voice modulation, pitch and tone. The children showcased a sense of pride, self-esteem and self-confidence for their country. The programme was judged by Mrs Deepa Thacker and Ms Shilpa Gulati. They were impressed with the confidence and enthusiasm showed by the students.

## Results

### Grades - 1&2

Position - 1 Kaunish Gunda  
Position - 2 Kashvi Thacker  
Position - 3 Mann Gajra

### Grades - 3 to 5

Position-1 Luckyraj Jadeja  
Position-2 Hargun Dhiman  
Position-3 Daksh Parekh

# INDEPENDENCE DAY CELEBRATION

Independence Day was celebrated with great enthusiasm and patriotic fervor on 15th August 2022 on the school ground with the staff, students, and parents to mark the 75th year of freedom from British rule. On this auspicious occasion, the program started with the flag hoisting.

The principal hoisted the flag then the students saluted the flag with a parade. The students performed the programs like song, dance, and speech. The director addressed the gathering appealing to their nationalistic spirit and urging them to take pride in being an Indian and fulfilling one's duty with responsibility. He also emphasized the role of the youth as a true wealth of the country. Then, there was a musical rendition by the school choir. They sang patriotic songs that awakened everyone's feelings toward the motherland. Indeed, it was a day of joy, a day to love and respect our country and make it a better place for Indians to live and experience freedom, peace, and unity in diversity.

# JANMSHTAMI CELEBRATION

Janmashtami is celebrated as the birthday of Lord Krishna, one of the most powerful and famous reincarnations of Lord Vishnu. According to the Hindu calendar, this festival is celebrated on the Ashtami of Krishna Paksh or the 8th day of the dark fortnight in the month of Bhadon. This day indicated the beginning of hope in the older times; hope, that the malicious rule of Kansa would soon end.

To seek the blessings of Lord Krishna, Janmashtami was celebrated at TLG Gurukul on 17th August, 2022 with mirth and joy. This day signifies a lot more to modern India, it signifies excitement, euphoria and a joyous spirit of enthrallment. To celebrate the extraordinary bond between children and the Almighty, TLC Gurukul School took the opportunity to both jubilate and learn with the young minds. The students dressed up as lord Krishna and Radha, complete with flutes, peacock feathers and matkas. The premise was decorated beautifully and the spirit of festivity was enhanced with Jhankis depicting life history of Lord Krishna. The celebration that followed was truly entertaining and educating. There was a lovely dance performance of Radha by girls and Krishna by boys of the school.

The main attraction of the event was breaking of the treasure filled Matki by pre - primary students with full joy and enthusiasm. The purpose of the flamboyant celebration was to inculcate value of sharing and respect in the students.

# GANESH MURTI MAKING WORKSHOP

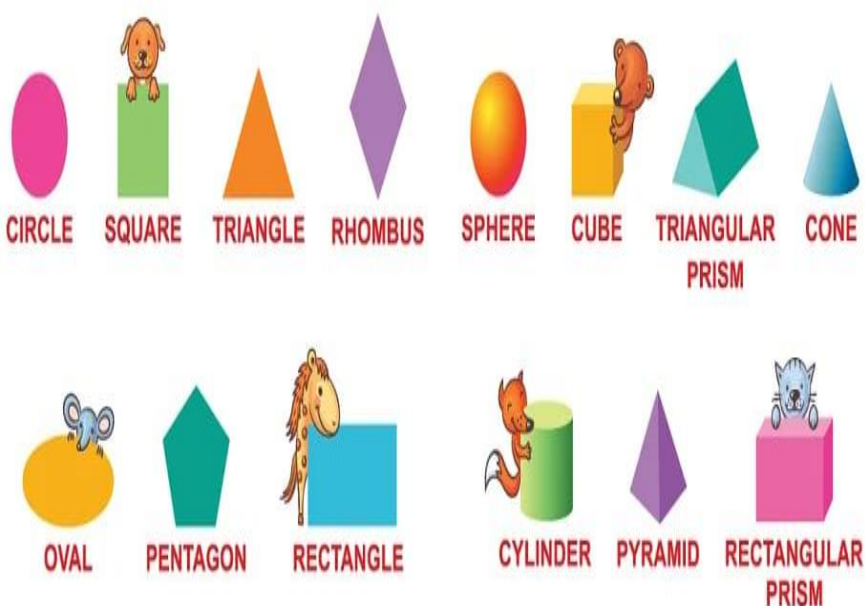

30th August 2022, on the occasion of ‘Ganesh Chaturthi’, the students, teachers and the staff of our School welcomed Lord Ganesh by installing an idol of Lord Ganesh on our school premises. TLC Gurukul School always organises such functions and events in the school so as to preserve and promote Indian traditions, cultures and values among the youth. The festival was celebrated for three days. The arrangement of Puja and decoration of our school was well managed by the Students’ council. Our school was lavishly ornamented using fragrant candles and vibrant flowers. The event began on 30th August as the pre primary students illuminated the lamps; students sang Ganesh Vandana while all the members offered their prayers to the Lord. A Havan was conducted followed by a grand Aarti and Puspanjali respectively. A table was set up in the school premises to serve a considerable variety of sweets, confectionaries and dishes to the attendees of the ceremony. Ganpati idol making workshop was conducted in the school premises using a clay for making a Ganpati. Students were motivated to built eco friendly Ganpati to save the environment. With the belief of the Lord will bestow his presence to remove all the obstacles and troubles from people’s lives. Prasad was distributed among all.

### 2D SHAPES

### 3D SHAPES

#### Difference between 2D and 3D Shapes

**2D Shapes:** 2D stands for “Two Dimensional”. A 2D shape has two dimensions- Length and Breadth. 2D figures are also referred to as plane figures or plane shapes since these figures lie on a flat surface. 2D shapes have areas but not volume. Straight lines make up the sides of the 2D shapes. 2D shapes are drawn using X-axes, and Y-axes.

**3D Shapes:** 3D stands for “Three Dimensional”. A 3D shapes have three dimensions- Length, Breadth, and Height or Depth. We see several things around us in daily life which are 3D shapes like books, ball, bottles, etc, they all have the three dimensions namely, length, breadth, and height. 3D shapes do have Areas and Volume too since they occupy space. 3D shapes are drawn using X-axes, Y-axes, and Z-axes.

# SCIENCE CORNER

Infected cattle also may develop oedematous swelling in their limbs and exhibit lameness. Lumpy skin disease can lead to significant economic losses since affected animals tend to have permanent damage to their skin, lowering the commercial value of their hide. Additionally, the disease often results in chronic debility, reduced milk production, poor growth, infertility, abortion, and sometimes death.

The disease is characterized by fever, enlarged superficial lymph nodes and multiple nodules (measuring 2-5 centimetres (1-2 in) in diameter) on the skin and mucous membranes (including those of the respiratory and gastrointestinal tracts).

Infected cattle also may develop oedematous swelling in their limbs and exhibit lameness. Lumpy skin disease can lead to significant economic losses since affected animals tend to have permanent damage to their skin, lowering the commercial value of their hide. Additionally, the disease often results in chronic debility, reduced milk production, poor growth, infertility, abortion, and sometimes death.
